- **What will my child be doing in the afternoon?**

-  School Age Connections has many enrichment programs that they offer daily. The children can choose from different clubs that help enrich their understanding of literature, math, science, and social curriculum. The children have the opportunity to get assistance with their homework, or in a trouble area in school they may be having.

- **What safeguards are in place to protect my child while in care at this program?**

-  The School Doors are locked from the outside and parents must be let in by staff members.

-  Staff members go through a criminal background check and a child protective services background check.

- **What are the qualifications of the teachers?**

-  All teachers must be on a career pathway to earning a college degree and prior experience working with children.

-  Specialist must have completed Apprenticeship for Child Development Specialist certification (ACDS) or 30 college hours in the education field.
