

River Valley Child Development Services

Tobacco Free Environment and Tobacco Use Policy

Effective: September 1, 2014

River Valley Child Development Services, hereinafter referred to as RVCDS, in an effort to protect the health of clients, employees and visitors, provides a smoke free workplace and promotes the non-use of tobacco products, which includes: cigarettes, cigars, any form of smokeless tobacco, e-cigarettes, and pipes. This policy complies with the local health department's clean air regulations. This policy applies to fifty feet from the entrance of any RVCDS building. If it is a non RVCDS owned building, employees must adhere to that facility's policy.
