Essential Duties

Program

Assess the educational needs of child care providers, develop and conduct face-to-face and online professional development sessions on health and safety topics as they relate to the state child care licensing requirements and national health and safety standards for out-of-home care meeting requirements as outlined in the Child Care Nurse Health Consultant handbook.

Educate child care providers about (not an all-inclusive list): Medication Administration, Communicable Diseases, Infection Control, Medical Plans of Care, Morning Health Checks, Seizure Disorders, etc

Link all professional development sessions to the WV Core Knowledge and Competencies.

Register all professional development sessions with WV STARS, following WV STARS policy and procedures for WV STARS entities, professional development providers, and training registration.

Assist child care providers in reviewing policies related to health and safety topics.

Provide consultation to child care providers on: health, safety and nutrition topics; children who have acute and chronic illnesses, special needs, and/or safety or nutritional needs.

Provide outreach about the Child Care Nurse Health Consultant services to child care providers, child care directors, and family home providers.

Develop and disseminate informational materials to child care providers on a variety of health and safety related topics.

Assist in providing coverage of training and technical assistance in surrounding regions, in the event of vacancy of another Child Care Nurse Health Consultant.

Remain aware of emerging trends, updates, and new recommendations in local, state, and national requirements, regulations, recommendations, and best practices for health, safety, and nutrition as it relates to child care settings. Ensure professional development sessions and materials are up-to-date with accurate and current information.

Develop and maintain up-to-date knowledge of the early care and education system in WV.

Develop and maintain social media accounts for Child Care Nurse Health Consultants. Ensure all Child Care Nurse Health Consultant information is current and up-to-date on WVECTCR website.

Other Duties

Establish contacts, build relationships and collaborate with stakeholders.

Work collaboratively as a member of the comprehensive Child Care Nurse Health Consultant team.

Communicate and collaborate with Child Care Resource and Referral Agencies, Child Care Licensing and/or Regulatory staff, and WV Department of Health and Human Resources, Office of Early Care and Education, as needed.

Prepare and submit monthly and quarterly report data to the Supervisor - Professional Development and Resources and WVECTCR Statewide Director.

Attend and participate on committees as assigned by the Supervisor – Professional Development and Resources, WVECTCR Statewide Director, and/or RVCDS Executive Director.

Utilize the Microsoft Outlook Calendar to store up-to-date work schedule; share the calendar with the Child Care Health Educator, Child Care Nurse Health Consultants, Supervisor – Professional Development and Resources, the WVECTCR Assistant Statewide Director, and WVECTCR Statewide Director.

Attend and participate in quarterly CCHE/CCNHC team and monthly WVECTCR staff meetings.

Any other duties as assigned by the RVCDS Executive Director, WVECTCR Statewide Director or Supervisor – Professional Development and Resources.
