

Practitioner Recruitment

"The daily challenges are very difficult to do alone, but with WV Birth to Three services it makes life easier..."

Marci Osburn - WVBT Parent

When a family experiences the birth of a child with a disability or becomes concerned about their child's development, they may look for support from important people in their lives. Sometimes families want more information from professionals who understand child development and have knowledge about their child's disability. West Virginia Birth to Three can provide that support.

West Virginia Birth to Three seeks service coordinators and service practitioners whose primary role is to partner with and coach family members and caregivers in meeting children's needs.

SERVICE COORDINATOR

- Link families to needed financial resources
